Satisfy diverse personalities.

With three back styles and five arm options, Collage offers plenty of choices to address different expectations without sacrificing design consistency. Thoughtful details such as the slightly pitched back and curvilinear arms comfortably support the body. Available in a broad range of upholsteries and finishes, Collage visually complements traditional, transitional, and contemporary settings.

- An integrated wood seating line, Collage features seven distinct chair models and a two-person bench.
- The maple hardwood frame is double-doweled and glued for optimum durability.
- Upholstery choices include all Kimball Office fabrics and leathers, as well as COMs and COLs.
- Collage is certified to meet the requirements of the U.S. Green Building Council's LEED rating system for indoor air quality. See our website for certificates and specific product details.
