

Kimball® Office

EVENT™

SEATING

One chair.  
Endless possibilities.

Stylish and comfortable. Versatile and stackable. Event delivers back, leg, arm and frame colors that let you respond to a full range of tasks, functions, applications and budgets. Plus, Event meets indoor air quality requirements defined by the United States Green Building Council and can contribute to LEED-CI points.

## A side chair for here, there, anywhere.

With its choice of round or flair back shapes, sled base or four legs, casters or glides, arms or armless, Event offers an inviting seat in front of the desk, behind the table, and in dozens of other places and spaces.

● Lightweight with the ability to stack six high on armless models and four high on models with arms

opposite page and detail:

Event 95-6R: seat: Cachet Bordeaux, back: Legato Sangria  
frame: Platinum Metallic; shown with Scenario tables

Event 95-7D: Maharam Hint Saddle  
frame: Cinder; shown with Interworks EQ

**e-magine** it with Event. To help you plan, specify and visualize your new offices, ask your Kimball Office representative to bring it to life with our e-magine software. You can review finishes, floorplans and more.

**CAD Details** from Kimball Office makes design easy. Just go to our website, and you'll find furniture symbols that can simply be dragged and dropped into your CAD-based program. Inspiration, in the form of floorplans, renderings and product photos is also available.

**Sustainability** is important to us. Kimball Office and our parent company, Kimball International, have a long-standing commitment to sustainable practices in all of our operational, design and manufacturing procedures. This commitment is reflected in a wide range of management decisions, from using scrap lumber and sawdust to heat our buildings, to making wise material choices, building durable products that can be reconfigured and upgraded, and working with voluntary organizations such as the Green Building Council, which is dedicated to education and promotion of sustainable building practices. At Kimball Office sustainable practices make good sense and good business.
