

# LEGACY

## veneer

- » Exposed surfaces are number one select walnut veneers. Back panels and drawer fronts are matched in sets to assure proper grain balance. Butt walnut drawer fronts create a unique burl figured appearance. Select straight and close grain patterns are used overall to maintain consistency between individual units.

## worksurfaces

- » 1 1/4" thick feature 5-ply construction and primary worksurfaces are profiled on all sides.
- » Lumberbanded edges are mitred at the corners.

## drawer suspensions

- » High quality with a lifetime warranty.
- » Box and file drawers are full extension.
- » Positive and cushioned in-out stops for easier, quieter operation.
- » Steel ball bearings and bright electro-plated finish ensure a smooth ride.

## locking

- » Pedestal locks secure all drawers with the turn of a single key.
- » All units ship keyed alike.
- » Removable lock cores for rekeying.

## assembly

- » Tenon-and-groove case construction and mortise-and-tenon pedestal construction for ultimate stability.
- » Structural joints secured by 16-gauge steel angle brackets and wood glue blocks.
- » Adjustable levelers feature insert nuts to prevent glide tear-out.
- » Casegoods ship fully assembled.

## finish

- » OFS uses a multi-step catalyzed super finish to enhance the natural hardwoods used in OFS products.
- » Worksurfaces are triple-filled (no open grain) and hand-rubbed to a rich, lustrous finish.
- » Choose from 6 finishes.
- » HPL top option available on many finishes.

## edge

- » Profiled traditional edge.

## pull

- » Brass traditional pull with fixed bail.
